Southeastern Michigan Aquarium Society Mission Statement

The mission of the Southeastern Michigan Aquarium Society is to have fun, educate, and promote conservation in the fish keeping hobby.

Southeastern Michigan Aquarium Society Presidents Message

Hope everyone enjoyed Peter George's talk on The African Rift Lakes and their Geology at February. It was a great presentation and thanks to Peter George and thanks to the Motor City Aquarium Society for splitting costs and helping make this possible. Hope you had a great time learning about the rift lakes and how they formed.
