Southeastern Michigan Aquarium Society Mission Statement

The mission of the Southeastern Michigan Aquarium Society is to have fun, educate, and promote conservation in the fish keeping hobby.

Southeastern Michigan Aquarium Society President's Message

Hope everyone member share night at the February meeting. Thanks for Steve, Scott, and Terry for sharing rare fish, fishroom tips, and introduction to antique aquariums. Have a project going on and interested in sharing? Let us know!

This month we have a special treat, Juergen Kasprick is going to give us a great talk on Breeding More Fish with Live Foods. Come out tomorrow night and let's have some fun and enjoy a great meeting.

Couple events we have coming up is a Swap Meet on April 27th, we still have some tables available. Interested in being a vendor please let me know. Cost is \$25 for a 8' table. Also coming up we will be holding an auction on October 19th, more information to follow.

Don't forget, breeding fish? Why not participate in the BAP program and have a chance to spread your fry around and give other members a chance to raise and breed them too. Oh and did I mention you can win some awards as well?

In closing I would like to thank the members that have joined so far and the members. Without the members there is no fish club.

Josh Cunningham
